

6th International Conference on Analytic Mathematics and Its Applications (ICAMA2017)

Commissioned by Chinese Mathematical Society, the Academic Committee of Banach Space Theory and Applied Functional Analysis of China and Xinjiang University agreed to hold the “6th International Conference on Analytic Mathematics and its Applications” (ICAMA2017) from July 24 to July 29, 2017 in Xinjiang University. The 6th ICAMA continues the successful series of the meetings previously held in Changsha (2007), Xi’an (2009), Xinyang (2011), Tianjin (2013) and Harbin (2015).

1. Aims

ICAMA2017 is a forum of recent results on analytic mathematics and its applications obtained by domestic and foreign mathematicians, discuss frontier subjects, communication and cooperation across different disciplines and promote the prosperity and development of mathematical analysis and its applications. ICAMA2017 also will set up rewards for graduate students who give excellent academic talks.

2. Sponsors

- The Academic Committee of Banach Space Theory and Applied Functional Analysis of China
- Editorial Board of “Acta Analysis Functionalis Applicata”

3. Organizers and Co-organizers

- Xinjiang University
- Xinjiang Association for Science and Technology

4. Scopes

The scope of the conference is mathematical analysis and its applications including but not limited to the following fields:

- 1) Geometry of Banach Spaces and Applications
- 2) Non-Commutative Analysis and Applications
- 3) Operator Theory and Applications
- 4) Systems Theory and Applications

5. Committees

Academic Committee:

Honorary Chair: Lin Qun (Chinese Academy of Sciences, Beijing)

Chair:

Peng Ji-Gen (Xi'an Jiaotong University)

Xu Quan-Hua (Université de Franche-Comté, Harbin Institute of

Technology)

Secretary General: Geni Gupur (Xinjiang University)

Vice Secretary General: Turdebek N. Bekjan (Xinjiang University)

Members:

Guo Bao-Zhu (Chinese Academy of Sciences, Beijing)

Ding Yan-Heng (Chinese Academy of Sciences, Beijing)

Zhang Zhi-Tao (Chinese Academy of Sciences, Beijing)

Chen Ze-Qian(Chinese Academy of Sciences, Wuhan)

Bu Shang-Quan (Tsinghua University)

Cheng Li-Xin (Xiamen University)

Xu Gen-Qi (Tianjin University)

Xue Xiao-Ping (Harbin Institute of Technology)

Wang Mao-Fa (Wuhan University)

Shi Zhong-Rui (Shanghai University)

Guo Tie-Xin (Central South University)

Zhu Chuan-Xi (Nanchang University)

ZhongHuai-Jie (Fujian Normal University)

Wang Zai-Hua (PLA University of Science and Technology)

Li Gang (Yangzhou University)

Song Wen (Harbin Normal University)

Ji Dong-Hai (Harbin University of Science and Technology)

Xu Hong-Kun (Hangzhou Dianzi University)

Guo Qi (Suzhou University of Science and Technology)

Organizing Committee:

Chair: Geni Gupur (Xinjiang University)

Vise Chair: Turdebek N. Bekjan (Xinjiang University)

Members:

Ye Jian-Jun (Southwest Jiaotong University)

Li Xue-Zhi (Anyang Institute of Technology)

Wang Sheng-Hua (Shangrao Normal University)

Wu Kai-Su (Beijing University of Chemical Technology)

Zhang Hong-Wei (Henan University of Technology)

Li Sheng-Jia (Shanxi University)

Gao Feng (Jimei University)

6. Invited Speakers

The specific arrangement to be determined.

7. Conference Website

8. Tentative Schedule

(1) Conference: July 24 –July 29, 2017

(2) Registration: July 24, 2017.

(3) Address: Tumaris Hotel, 618 Xinhua South Road, Urumqi, P.R.China.

(4) Registration fee: Free for foreign researchers.

(5) Accommodation: Tumaris Hotel (four star) .

(6) Accommodations are free for foreign researchers.

(7) Contact address: College of Mathematics and Systems Science, Xinjiang University, 666 Shengli Road, Urumqi 830046, Xinjiang, China

(8) Contact Person: Professor Geni Gupur,

email: genigupur@vip.163.com

9. Foreign researchers are claimed to provide the following materials:

(1) His/her CV

(2) Scan of his/her passport

(3) The name of the city that China embassy or China consulate in his or her country located and the full name of China embassy or China consulate

(4) Title and abstract of his/her talk
